Previous performance of sports premium children

(5 as of January 2013)

Sports Funding spending 2014/15

Item/project	Cost	Objective
Develop the outdoor learning area in Year to include more	£3000	To ensure that children have access to a range of age appropriate sports equipment which enables them to improve their co-ordination and control.

opportunities for children to develop and refine sports skills (i.e. riding a bike, jumping over hurdles, ball control)		<ul style="list-style-type: none"> - Riding bicycles - Large Ball Control - Racket and Bat control - Large Motor Skills (i.e. jumping over hurdles)
Funding for bought in curriculum provided by Junior Jam.	£11,475 (Bought in services/ curriculum)	To ensure that children have specialist teaching in the following areas: <ul style="list-style-type: none"> - Athletics - Boxercise - Dance - Sports and games
	Sub Total 8,500	

Attainment of Y1 children at the end of Foundation Stage in the Physical Development Strand

	Moving and Handling	Health and Self Care
Above Typical	15%	3%
At Typical	81%	85%
Below Typical	3%	12%

Compared to National:

Area of Learning	DAAP 2013/14	DAAP 2014/15	National 2014/15
Moving and Handling	88.3%	95%	89%
Health and Self Care	88.3%	90%	91%

Summary of Data Analysis 2014/15

What is the data telling us?

- The vast majority of children were at least at typical in moving and handling.
- The vast majority of children were at typical in health and self-care although not many were exceeding.
- When looking at both physical development strands as a whole, we are above the national figures for 2014/15.

Objectives in spending Sports Premium:

- To ensure that children continue to build on their skills learned in EYFS (including more specialist skills with regards to co-ordination and control).
- To accelerate children’s understanding of the importance of exercise and healthy eating.
- To ensure that the new Year 1 curriculum is taught well and has appropriate coverage.

Summary of spending and actions taken during 2013/14:

- The assessment data suggests that the Sports Premium funding was spent very wisely to benefit children in increasing their ability with regards to moving and handling. Children at DAA outperformed national in Foundation Stage despite significantly low starting points.
- The outdoor classroom in Key Stage 1 has been developed to a very high standard with a large focus on developing team games which focus on skill, rules and timing.

Total Sports Funding received	£8,500
Total Sports Premium expenditure	£8,500
Sports Premium remaining	Nil
